ST JOHN LUTHERAN CHURCH NEWSLETTER

VOLUME 32 ISSUE 9

SEPTEMBER, 2018

Psalm 1:1–2 (ESV) “Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; but his delight is in the law of the Lord, and on his law he meditates day and night.”

We are truly blessed by God when we live in the ways that are good and pleasing to our heavenly Father. The psalm says is very clearly. And God's Word is also very clear that those who walk in the ways of righteousness are truly blessed. And we can say that yes, we do walk in many of His ways. But ... we can always do better, can't we? For when it comes to walking in God's ways perfectly ... we fall short. Thanks be to God that we are saved by the right and good living of our Savior who did all things perfectly and credits His goodness to our account.

So it should be good for us to do as the psalmist states: meditate on the law of God day and night. I know that it is not possible for us to be in Bible Study all day. There is work to do and we are to be faithful in that so that we can feed and care for us and our families. But meditating on the Word of God (law) all the time means that we should apply the Word of God into all areas of our life. Our whole life is to be filled with right thinking and speaking and doing.

When we are at work we can consider how God would have us be at work. God wants us to be of certain character and that character is who we are all the time. God seeks to grow in us such characteristics of kindness, patience, concern, empathy, honesty, self-control, humility, etc. in ALL things. When we work in our daily jobs with these types of characteristics it pleases God.

It may happen that in some jobs you are asked to do something that you know is not right according to God's expectations. To fudge some numbers, to ignore an OSHA rule, to hush up part of a construction flaw, to ditch a report that indicates a flaw or shows a discrepancy—anything that goes against what is right and true by God's standards is wrong. It is sin. Meditating on the Word of God day and night is to consider how God would have us conduct ourselves at all times and in every relationship.

At all times we are to be the person God calls us to be.

And when we find that we have done wrong—we repent. Immediately. We try not to do what is wrong. But God calls us to repentance. But that too is from God's Word—repent and believe in Jesus for salvation and life. Pray for the Holy Spirit to help you remember God's Word and to apply it in all situations. Do what is good and right. And God will bless you for doing so. We are not granted salvation by what we do—we are only saved by faith in Jesus who lived and died and rose again. But we are blessed when we live the way we should each day.

God help us to delight in our salvation in Christ Jesus, to apply God's Word to all things, and to pray for the Holy Spirit to guide us in faith and life. Lord, help us to live as He wants us to live in constantly thinking about a putting to use His holy Word.

Peace. Pastor

Teach me
your way,
O LORD,
& I will
walk in
your truth...
Psalm 86:11

- "Everyone His Witness". Purchase was made of presentation with assistance from LCMS district. There was a signup sheet passed around to participate in this six-week long class, hoping to have 10 or 12 members willing to participate.

- The Board of Evangelism also continue their focus of "in reach" including continued prayer for our membership, a major component of the Evangelism Committee's work.

- Involvement in the Doane University 2018 Downtown Tour. The Council voted to approve \$200 for pens to be handed out.

Memorial Committee...Todd reports that they would like the Voters to approve one memorial addition: New candle lighters which will cost approximately \$250 for two. Motion made, seconded and carried.

Old Business...It was suggested that church cleanup day should be every spring providing a list of items of need.

President Henning reminded members to be keeping track of financial needs of any board they are on for future budgeting.

Tim McDermott and Glen Louch worked on project for replacement of the church video camera. A full report of their findings is attached to the minutes. Also asked Todd to bring up to the Memorial committee as this could be a Memorial project to be added to the list.

Building Committee...Continued discussion and progress toward a project plan including the following:

- In late April, the committee introduced Nate Meier of the Lutheran Church Extension Fund who presented a Demographic Survey of our congregation and spoke briefly on the potential funds that St. John could borrow if an addition project was to come.
- An initial site-survey was accomplished to obtain property corners, setbacks and elevations.
- Meetings held to discuss parking requirements seen in a multi-week site survey and general floor space needed in a proposed ground-level Fellowship Hall.
- Requests sent out to various church boards for description of wants/needs.
- Two meetings held in June in which invitations were provided to area architects. The committee asked for each firm to supply us with their anticipated architectural fees in the form of a proposal for their scope of work of which one firm provided the committee with a proposal.
- Asked Voters to consider accepting the proposal by Architectural Design Associates of Lincoln, NE, for \$3,500, plus reimbursable expenses which would include the following:
 - ◇ Architectural services for this project will include schematic (preliminary) design of the building addition.
 - ◇ Design drawings will include colored images, site plan and floor plan(s).
 - ◇ Approximately two meetings with the church to discuss the design and present it to the congregation as needed.
 - ◇ Preliminary budgeting for construction cost.
- ADA's scope of work is comprised of the following: Based on their site visit and meeting at the church on 6/13/18 and the design sketches provided, they proposed to provide preliminary site plan, floor plan, and exterior 3-D images for the addition to the existing church building. The addition will be approximately 3,000 square feet and may include a basement level if the functional layout requires.
- Specific functional spaces will include: the fellowship hall with table seating for 150; storage for tables and chairs; a new kitchen with an optional commercial hood; additional ADA compliant restrooms on each new floor, accessible entry from the exterior and through the existing building and an accessible stair to the sanctuary balcony.
- Site design will incorporate pedestrian access to the building along with adequate parking and vehicle maneuvering space.
- Final presentation documents will include 3-D views of the church with the addition; an overall site plan and scaled floor plan. Printed and electronic copies of the illustrations will be available for publicity purposes.
- If this project moves forward for full design for a building permit, they estimated their fee which includes structural, mechanical and electrical engineering to be about \$24,000 assuming a single level, slab on grade addition.

A motion was made and seconded to spend \$3,500 to ADA to begin process as outlined above. Motion carried.

New Business...Karen Tiedeman reports that four people will be going to Russia for one week in October to help at the Hannah House which is a home for girls over 18 to learn a trade. They are not needing financial assistance from the church. Orphan Grain Train is assisting.

Pastor Art Brinkmeyer thanked St. John for the dinner to recognize his years in the ministry. He commented that six congregations were represented. He felt this was a wonderful outpouring of love and expressed appreciation.

The meeting was adjourned at 12:30 p.m. and closed with the Lord's Prayer.

There were 56 members present and two guests.

LAMBS OF CHRIST PRESCHOOL NEWS

Classes began on August 20th and 21st. At the present time we have 16 students enrolled. We would love to add more so keep spreading the word. We again were blessed to have R2K Photography take our students school pictures for us, thanks Rod and Terri.

I will be looking for Prayer Partners for the new school year. At this time we have 16 children. I will have the information about each child on our bulletin board in the hallway by the church office. Stop and sign up to be part of a child's life.

We will be holding a picnic at the City Park on Thursday Sept 6th at 6:00 pm. I welcome anyone from the congregation to join us. This would be a great opportunity to show the parents how much our preschool program is supported. I do ask that if you are planning to attend give me a call or text 402-826-0611 so that we have enough hotdogs. Also each family is asked to bring a salad or a dessert.

Amy Svarc has agreed to help us out on MWF as our teacher assistant. We are still in need of an assistant on Tuesdays and Thursdays from 8 – 11:30

I know that September will be filled with a lot of new and exciting things happening here at Lambs. Once again thank you for all that you do for the program and continue to keep all the children in your prayers.

EVANGELISM COMMITTEE

The September Evangelism Committee meeting is scheduled to begin at 7:00 p.m. on Tuesday, September 4th. Members of St. John continue to be invited to the near completion of the book, "5 Things You Can Do to Witness Christ". This study encourages each of us to realize what we have in Christ and to see that our witnessing is part of our daily walk in life – as we each have 'evangelism' opportunities in which God provides to us. We can find "witnessing" when living out the gracious gifts God gives in our connections with those around us and in helping build new relationships where sharing the love of Christ is of great importance. Please join us if you can.

The Evangelism Committee will also be nailing down particulars in further planning of the "Every One His Witness" workshop. This would be a multi-week, lessoned group environment designed to equip disciples of Jesus Christ in sharing the Gospel within their everyday lives. Lesson context modules are built on the core module of applying the LASSIE approach (Listen, Ask, Seek, Share, Invite and Encourage) to specific witnessing contexts. The previous Voters meeting allowed members to designate themselves as being interested in participating in this workshop.

Men's Bible Study - "A Man Named Martin - The Movement"

In 'A Man Named Martin - Part 3: "The Movement"', our Men's Bible Study group studies and discusses how the Reformation transformed European society and, eventually, left a profound impression around the globe. The Bible Study, fellowship and great discussion are offered to all on Tuesday, September 11 at 7:00 p.m. in the Fellowship Hall. This session will end this series, and we will likely be discussing our next topic of study. Please join us for participation and your suggestions.

PLEASE HAVE ALL INFORMATION OR ARTICLES FOR THE NEWSLETTER TO CHRIS HOLLMAN BY 25TH, THANK YOU!

Clothing for Orphan Grain Train: We can once again send used clothing to Orphan Grain Train. When leaving clothes in the drop box outside the church by the back door, please mark them for either OGT or PCM (People's City Mission).

A legacy of faith---September 9

National Grandparents Day became an official observance in 1978, thanks largely to the lobbying efforts of Marian McQuade, a West Virginian who had 15 children and 43 grandchildren during 60 years of marriage.

The **purpose** of National Grandparents Day, celebrated on the first Sunday after Labor Day, is threefold: to honor grandparents, to give grandparents an opportunity to show love for their children's children and to help children become aware of strength, information and guidance older people can offer.

Grandparents — and, in this mobile society, surrogate grandparents — also serve as examples of how to endure challenges with God's help. Elders describe how God remains present, faithful and steadfast throughout the years. As Psalm 145:4 (NIV) says, "One generation commends your works to another; they tell of your mighty acts."

BUILDING COMMITTEE UPDATE

After the voting membership approved funding in which was obtained preliminary plans for a proposed building Addition, the Committee met on August 30th to discuss the receipt of a first round of plans during this Preliminary Design Phase (Phase I). Members can check the church website for updates, preliminary design plans or scheduled committee meetings. It is the work of the committee to provide congregational members meaningful information allowing for continued, forward movement toward a worthy concept on which to build. These preliminary designs are a work in progress and are likely to be altered over the next month or two.

That All May Know Him

LUTHERAN WOMEN IN MISSION

COME SEE THE QUILTS! We are so happy to announce LWML Sunday will be September 23rd this year. All of the quilts we made for the Hannah House will be on display in church that day. Karen Tiedeman and her group will hand carry them to St. Petersburg to make sure they get to their destination.

We are so grateful to our St. John family for your support of this project and want to share the finished product with you. Some of you donated quilt batting, used blankets, mattress pads, flannel, tablecloths or drapes which we used to fill the quilts and make them warm enough for Russia's cold winters. Some donated material to make into quilt squares. Some donated sheets, lightweight blankets or beach towels which were used for the quilt backs. Some donated heavy-duty crochet thread for tying the quilts. Someone even donated a sewing machine! Some took home quilt parts and sewed them together at home. Some cut material into squares. Some sorted donations and organized them. Many took time out of their busy lives to come and spend a couple days a month putting quilts together, a few lugging their sewing machines with them. To all of you we say thank you for joining in this endeavor. We couldn't do it without your help!

LADIES AID MINUTES

St. John Ladies Aid met on August 29, 2018. Roll call was taken with nine members present. The minutes of the last meeting were read and approved and the treasurer's report was given. A list was passed around for more ideas of what we would like for the fellowship hall.

NEW BUSINESS: A motion was made and seconded that the Ladies Aid should buy a tub for collecting used bibles. This will be done by September 23rd. The motion passed.

An August birthday was celebrated by Shirley Reetz. The birthday song was sung. Dianne Kouba will be the hostess for our September meeting.

We sang "The Law of God is Good and Wise". Pastor Toensing led us in Bible Study on "What an Extraordinary Love", followed by prayer. We closed the meeting with the Lord's Prayer and the common table prayer.

Shirley Reetz, secretary

"USED" BIBLES... The Ladies Aid will be collecting "used" Bibles to be donated for "reuse" by those who need them. Donated Bibles can be placed in a receptacle located in the church entry through September 23.

FROM THE ELDER’S

“This is the day the Lord hath made. We will rejoice and be glad in it.” Ps 118:24

It’s a new beginning with school already started and many church activities happening. What is your attitude toward participation and sharing of your talents at St. John? There are many ways you can give of yourself. Perhaps God has given you the gift to teach or you just love to be around children. Being able to relate to children allows you to witness your faith. Between Sunday School, Midweek and even assisting with the children’s Christmas program, there are plenty of ways to rejoice in the day the Lord has made. Talk to one of the school board members. Otherwise, there’s a host of Bible Studies, including men’s, cell groups, and at various organizational meetings. Contact any one of the elders if you want to be involved and need some guidance. God bless, **The Elders**
